Filed By: *The Clements Private Trust*

Seal: *Domus De Clements*

Date: _____

I. Financial Sovereignty of The Clements Private Trust

I, **Jonathan Daniel Clements**, a living man, hereby declare that I, acting in full lawful capacity as Trustee and Executor of **The Clements Private Trust**, do solemnly assert full **private financial sovereignty**, including:

The right to **create, issue, and recognize private trust currency or instruments of exchange**

The authority to **establish accounts, ledgers, credit instruments, and vaults** under ecclesiastical trust law

Exclusive **control and issuance over assets**, including property, intellectual property, and promissory instruments

Independence from any central, federal, or banking authority, unless voluntarily contracted with full terms and mutual agreement

The **Sovereign Bank of Clements**, a creation of this trust, is hereby recognized as the sole trust-held financial body authorized to manage the flow of credit, barter, exchange, and capital under **Domus De Clements**.

II. Legal and Jurisdictional Basis

This authority is supported and affirmed under:

U.S. Constitution — Article I, Section 10 (No state shall make anything but gold and silver coin a tender in payment of debts)

Uniform Commercial Code — UCC §1-103, §1-308, §3-104, §9-102

Ecclesiastical Law — As invoked under Domus De Clements

Law of Nations & Private International Law

International Bill of Human Rights

Private Trust Law, recognized by courts under equity jurisdiction

This document stands as **notice to all public and private bodies**, including central banks, tax authorities, lending institutions, and any third-party commercial agents, that:

All financial dealings by this trust are private and protected

Any interference, assumption of debt, seizure, or attempt to assign liability to the trust or its trustee **is void ab initio**

All debts alleged against the trustee in public capacity are rebutted, unless lawfully proven under private contract and disclosed with full mutual consent

III. Trust-Created Instruments and Authority

The Clements Private Trust reserves the right to issue:

Trust Notes

Credit Certificates

Private Bonds

Barter Units and Ledgers

Tokenized Representations of Labor or Goods

Financial Letters of Guarantee under seal

No external body shall hold dominion over such creations unless bound by written private treaty with the trust.
